

Family Medicine Physician

Missoula Family Medicine is seeking a board-certified Family Medicine physician to join the practice. This is a private practice owned by Dr. Thomas Frandsen. Missoula Family Medicine specializes in newborn care, pediatrics, women's health, and care for all ages of life. Emphasis is placed on providing same day/urgent care access for patients, while also caring for chronic conditions and providing preventive health care. Candidates will have the opportunity to practice as a partner in this small, private practice while being in an employed position. Dr. Frandsen is looking for a family physician with similar clinical interests who would be an excellent fit.

- Full-time outpatient position with options to pursue inpatient privileging for newborn care if desired
- 4 days per week clinic
- Full time and part time considered
- Clinic call currently 5-6 weeks/year with minimal calls
- Full-spectrum family medicine seeing patients of all ages
- Competitive income potential with salary for start of contract, then transition to productivity
- Small, private practice with the ability to change processes quickly if needed
- Patient-facing staff are excellent, with all being medical assistants or nurses

Requirements

- Medical degree (MD or DO) from an accredited institution.
- Board certification in Family Medicine.
- Valid state medical license to practice medicine.
- Valid BLS
- Current DEA license.
- Ability to work effectively within a team environment.

Location:

Missoula Family Medicine is located on the Community Medical Center Campus in Missoula, Montana. This college town in Western Montana is surrounded by mountains, lakes and rivers, allowing hiking, rafting, fishing, biking, skiing and much more. Missoula offers amazing restaurants, a vibrant music scene, and cultural opportunities.
